OFFICE OF PETITIONS

CHANGE TO LARGE ENTITY STATUS/  
PAYMENT OF DEFICIENCIES

Sir:

The undersigned attorney represents Verco Decking, Inc., the exclusive licensee under U.S. Patent No. 6,212,932. Such exclusive license was formerly held by Verco Manufacturing Co., and was transferred to Verco Decking, Inc. during 2006.

Verco Decking, Inc. does not qualify for small entity status. Accordingly, please change the status of U.S. Patent No. 6,212,932 from small entity status to large entity status.

On May 21, 2008, the second maintenance fee for U.S. Patent No. 6,212,932 was paid in the amount of \$1,180.00 (the small entity fee). However, at that time, the patent owner did not qualify for small entity status because the exclusive licensee, Verco Decking, Inc., is a "large entity". The deficient payment was inadvertent, and not with any intention to deceive.

Please accept payment of \$1,370.00 [\$1,240 additional for the deficient maintenance fee, plus \$130.00 late-payment fee] in payment of such deficiency. The undersigned hereby authorizes the Patent Office to charge \$1,370.00 from Patent Office Deposit Account No. 030088 for such purpose.
